SPRING CLEANUP PACKAGES

Fresh start for your property.

Professional seasonal restoration for Calgary lawns, beds, and outdoor spaces after winter.

ESSENTIAL

Basic Refresh

Essential maintenance to clear away winter debris and get your lawn breathing again. Perfect for a clean start.

Best for: lighter winter buildup and simple seasonal reset.

MOST POPULAR

Standard Clean

Includes aeration and garden bed detailing to help build a healthier, cleaner-looking lawn for summer.

Best for: full spring prep with lawn health support.

FULL SERVICE

Premium Plus

A total property overhaul with detailed pruning and premium overseeding to thicken thin spots and improve density.

Best for: properties needing the most complete refresh.
